

REGIS

Master of Arts in
Counseling

Complement your
compassion with expertise

online.regiscollege.edu

Prepare for a career in mental health counseling.

Our world needs people like you who are skilled enough, and who care enough, to take on the complex challenges of mental health. Earning an **online Master of Arts in Counseling (MAC)** from Regis College can provide the skills and knowledge necessary to become an effective mental health counselor serving in hospitals, social service agencies, mental health centers, or private companies.

Focused study that can help you change lives.

Prepare to make a difference by serving individuals, families, and communities. The MA in Counseling is offered in a flexible online format to help accommodate the busy schedules of working professionals like you. You'll focus on critical theories, research, and applications of psychology, with an emphasis on the social, political, economic, and cultural contexts of counseling practice.

Prepare for professional and personal success.

An online Master of Arts in Counseling from Regis College can put you on the path to new career opportunities and potential salary increases. While earnings depend on your chosen industry and location, counselors with a master's degree can earn as much as \$88,000 a year, according to the U.S. Bureau of Labor Statistics.
